I hope you are all well at this unprecedented time. It has never been more imperative to maintain a high level of hygiene and sanitising procedures. Your health and wellbeing is of utmost importance to me.

Please see below the steps I will take to ensure the safe and continued running of Samantha Ruthven Beauty in line with the latest Government Guidelines and ABT Insurance Provider:

- ! All clients to access SR Beauty cabin via the back gate. Not to walk through the house. Details of this access point will be communicated upon booking appointment.
- ! SR Beauty cabin does not have a toilet however, one can be accessed via the house which will be made available to you should you wish to use it. Hand washing and sanitising will be provided to minimise any spread.
- ! I will only allow one client in at a time onto the premises, in line with social distancing rules. On the occasion that I may overrun, I will need you to stay outside, please be patient.
- ! I have taken the decision to remove Massaging from my Treatment List until further notice.
- ! On arrival clients will be explained what hygiene procedures have been put in place to ensure their safety.
- ! I will be asking all clients to wash their hands with soap or sanitiser as soon as they enter the premises.
- ! All surfaces will be sanitised that clients and myself come into contact with between every clients visit.
- ! I will continue to sanitise all tools between every treatment/appointment.
- ! Disposable couch roll will be used at all times. I will not be using towels, covers, throws or blankets.
